

Recommendations to customers during **Covid-19**

This coach is subject to **cleaning, disinfecting and sanitizing** as prescribed by the Italian Ministry of Health and the National Institute of Health

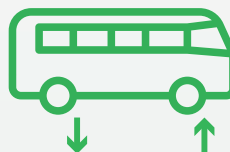

PASSENGERS ARE INVITED TO

Do not board if body temperature exceeds 37.5° or if symptoms of acute respiratory infections are felt (fever, cough, cold)

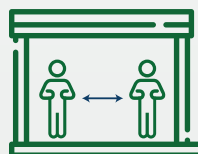

Before getting on the bus, wear a mask to protect nose and mouth during the whole trip

Wait and respect the instructions of the guide and the driver before getting on/off the bus, loading/unloading luggage and during the whole trip

Sit only in unmarked seats and keep the assigned SEAT for the whole trip

Maintain the distance of 1 metre from the other passengers, the guide and the driver on the bus, during stops and in the related areas

Wash frequently your hands and avoid touching your face while traveling

PASSENGERS ARE INFORMED THAT

The distance of 1 metre is not necessary for people living in the same house

Non-compliance with these provisions is sanctioned by law and may lead to the interruption of this trip by the competent public authorities
