

Recommendations to customers during **Covid-19**

This coach is subject to **cleaning, disinfecting and sanitizing** as prescribed by the Italian Ministry of Health and the National Institute of Health

PASSENGERS ARE INVITED TO

Agree to the **measurement of body temperature** and do not go on board if it exceed 37,5° or if symptoms of acute respiratory infections are present (fever, cough, cold)

Verify the possession of **travel documents**

Before going on board and for the entire duration of the trip, wear a **surgical mask to protect the nose and mouth**; replace the mask at least every four hour

Comply with **the instructions of the accompanying person and the driver** before the ascent/descent and the loading/unloading of the luggage and during the trip avoiding gatherings

For the entire duration of the trip, occupy only **the assigned seats**, avoiding in any case to use the seats possibly marked as not usable

Frequently sanitize hands and avoid touching your own face for the entire duration of the trip

PASSENGERS ARE INFORMED THAT

Non-compliance with these provisions is sanctioned by law and may lead to the interruption of this trip by the competent public authorities
